

LORIC LEAVES

Sunshades with a difference

LORIC LEAVES
PRODUCT EXEMPLARS 2021

Pictured Above: Redeemer Lutheran College.

Loric Leaves create stunning, artistic sun shades for schools, swimming pools, council parks and, other common areas. Sun shade with a difference!

Creating a unique sun shading aesthetic, Loric Leaves are a real stand out feature for any outdoor environment. With four different sized configurations available, as well as custom printed images on the underside of the Leaves, there is a personalised solution to fit any shade requirement, large or small.

With a high attention to detail, and an ete for quality, Loric Leaves are an Australian designed, engineered and manufactured project which stands above others in the tensile membrane market.
